President Wu briefed the Board on certain recent acts of vandalism, including the displaying of offensive and intolerant symbols, on campus.

After a full discussion by the Board, it was:

RESOLVED, that this Board of Trustees does hereby unanimously and emphatically condemn and reject the acts of vandalism and expressions of intolerance that occurred at Delany Hall on January 6th, 2022; and further supports the specific measures and efforts which have been, and will be, taken by the Queens College President and Administration to address this matter.

President Wu said that he would periodically come back to the Board to brief them on developments.
