

## Tour

### 1) Jefferson Hall

Offices of Undergraduate Admissions, Graduate Admissions, Registrar, Bursar, Security, and Financial Aid are all located here.

Alumni plaza is located across the road from Jefferson Hall (toward Kissena Boulevard) . Alumni and friends can inscribe bricks to commemorate a special memory or occasion. \$250 small brick/\$500 large brick.

### 2) Student Union

The basement houses Student organization offices including the award-winning school newspaper (the Knight News) and the radio station (WQMC). Queens College has approximately 120 Student organizations including:

- i) Academic Organizations
- ii) Cultural Organizations
- iii) Ethnic Organizations
- iv) Religious Organizations
- v) Special Interest Organizations
- vi) Greek Letter Organizations
- vii) Honor Societies

Second Floor – Houses our religious organizations

- viii) Catholic Newman Center
- ix) Hillel
- x) Ikaros Hellenic Orthodox Club
- xi) Muslim Students Association

Third Floor –

- xii) Student Life Office – The Student Life office has a listing of all Student Organizations on campus, so if you'd like more information about an organization or events on campus stop by the Student Life Office.
- xiii) Student Association – Student Association is the student governing body of Queens College. The purpose of this body is to “serve the students”. SA is committed to meeting the needs of the traditional and nontraditional student population enrolled at Queens College.

**Student Association Diner** –it's a comfortable space for students to eat breakfast, lunch, and/or dinner.

### **3) Delany Hall**

- a) College Now Program – Allows HS students to earn college credit at Queens College
- b) SEEK – Search for Education, Elevation, and Knowledge. Provides academic and financial assistance to students who qualify.
- c) For students of Education, the office of Teacher Certification and Educational Placement is located here.

### **Outside of Delaney (flag pole)**

World War II Veterans Memorial Plaza is dedicated to 900 QC students enlisted or called to serve, 59 of those were killed in battle.

### **4) Colwin Hall and Quad**

- a) Colwin Hall houses Biology laboratories and classrooms.
- b) The campus includes 35 buildings on 77 acres.
- c) Many events take place on the Quad: Graduation, Fall Fest, Spring Fest, and Club Day.

### **5) Razran Hall and Honors Center**

- a) Does anybody notice something strange about Razran Hall? There are no windows! There are underground tunnels that connect the original buildings. The Spanish style buildings were part of a boy's reform school, which were connected by these tunnels.
- b) It houses physics and psychology research, instructional laboratories, which may be affected by natural light.
- c) The Office of Honors and Scholarships mentors students for various awards and has an extensive list of scholarships and assists students in identifying and applying for awards that are appropriate to their academic and career goals.

### **6) Remsen Hall and new construction**

- a) Remsen Hall houses the Departmental offices of Chemistry & Biochemistry and Family, Nutrition, and Exercise Sciences. It also houses many laboratories and lecture halls.

### **7) Cooperman Plaza (in front of the fountains)**

- a) The Science Building houses the Departmental offices of Astronomy, Biology, Computer Science, Earth & Environmental Science, Physics, and Psychology. The Science Building also has the office of Health Professions Advisory Service, which assists students who are interested in a health profession
- b) The garden you see here memorializes the victims who died on September 11, 2001 with a plaque that is inscribed: "In honor of the more than 3,000 lives lost in the terrorist attacks of September 11, 2001 and especially the members of our Queens College family. We dedicate ourselves to the unfulfilled dreams of those who perished;

to all people who work to end hatred, ignorance, and intolerance; and to the ideal of an open, diverse, and free society.”

## **8) Rosenthal Library**

- b) Before entering the Library, point out The Chaney-Goodman-Schwerner Clock Tower, which is dedicated to the memory of 3 civil rights workers who were murdered in Mississippi during the Freedom Summer of 1964. Andrew Goodman was a Queens College Student. The movie, Mississippi Burning is based on their experience.
- c) After entering the Library point out the Louis Armstrong Archives
  - i) Louis Armstrong Educational Foundation and the New York City Department of Cultural Affairs chose Queens College to be caretakers of Louis Armstrong’s personal belongings including: recordings, reel-to-reel tapes, scrapbooks, photographs, sets of band parts, correspondence and manuscripts, five trumpets, mouthpieces, awards and plaques, and much more.
  - ii) Queens College also oversees the Louis Armstrong House in Corona Queens.
- d) Enter the Rotunda
  - i) The library is open every day of the week. During finals week the Library extends their hours so that some parts of the Library are open 24 Hrs.
  - ii) The Library has 6 floors, enter on the 3<sup>rd</sup>.
    - (1) **1<sup>st</sup> Floor** – Laptops can be borrowed from the Multimedia Commons and can access the internet almost anywhere on campus. Periodicals.
    - (2) **2<sup>nd</sup> Floor** – Classrooms, Lecture Halls, and Reading Rooms
    - (3) **3<sup>rd</sup> Floor** – Circulation, Reserve Desks, reference books and archives .
    - (4) **4<sup>th</sup> Floor & 5<sup>th</sup> Floor** – Group Study Rooms, Classrooms, and Lounges.
    - (5) **6<sup>th</sup> Floor** – Art Library/Art Center – Exhibition Gallery, Art books and periodicals.
  - iii) The Rosenthal Library has over 800,000 books. The total count of current print journal subscriptions is 1,020, with on-line access to over 23,000 e-journal titles. Interlibrary Loan loan, which allows QC students to request books, articles and other library materials at the 17 other CUNY Colleges.

## **9) Powdermaker Hall**

- a) Many of the Social Sciences departments are located here
- b) Classrooms in Powdermaker hall are soundproof, so that if there is an event going on the QUAD it doesn’t disturb classes.
- iv) **State of the Art Classroom**
  - (1) Professors can connect laptops to projectors through the floor. In the closet there are DVD and VHS players so that professors can play DVDs and VHS.

## **10) Frese Hall**

- a) College Counseling & Resource Center offers students personal and educational counseling. Topics discussed include:

- b) Career Development & Internships provides students resources for academic and career decision making to prepare students for the world of work.
- c) Health Service Center offers health education & counseling to students.

**11) Kiely Hall**

- a) Kiely Hall has classrooms, departmental and administrative offices:
  - v) The Academic Advising Center – Assists students by providing a clear understanding of the academic requirements of Queens College and its impact on the selection of programs and classes.
  - vi) Offices of Mathematics and Hispanic Languages & Literature are located here.
  - vii) Offices of the President, Provost, Institutional Research, and Research & Sponsored Programs are just a few of the offices located here.

**12) Klapper Hall**

- a) Used to be the first library, but now houses the departments of English, Art History, and Studio Art.
- b) The Godwin-Ternbach Museum displays exhibitions of artistic, cultural, and historical significance, with programming that speaks to the interests of students, faculty, and the extraordinarily diverse communities of Queens.

**13) Music Building and Lefrak Concert Hall**

- a) The Music Building houses the Lefrak Concert Hall, the Music Library, and classrooms.
- b) The Aaron Copland School of Music is comparable to Julliard’s music school.
- c) Students who are interested in the Music Program must meet general eligibility requirements in addition to a musical audition.
- d) The music curriculum is planned to develop the interdependent skills of performing, listening to, and understanding music, and thus to provide the thorough training so necessary for graduate study and an eventual career in the profession.

**14) Dining Hall**

**15) Fitzgerald Gymnasium**

The Fitzgerald Gym is located directly behind the construction. Students, staff, and faculty have access to the Fitness Center, Swimming Pool, and Tennis center.

- (1) The Fitness Center has over 30 Cardio Machines, over 30 Weight Training Machines, and plenty of Free Weights.
- (2) We have a large Indoor Swimming Pool and an Indoor Tennis Center which are available for use **(recently renovated by a major gift from alumna , Dina Perry, who was captain of swim team while a student here)**.
- (3) Men’s Sports include: Baseball, Basketball, Soccer, Swimming, Tennis, Track, Water Polo.
- (4) Women’s Sports: Basketball, Fencing, Softball, Soccer, Swimming, Tennis, Track, Volleyball, Water Polo.

**18) The Summit**

a) Opened for the fall 2009 semester, there are approximately 500 beds. Each bedroom will be in a multi-occupancy suite that will include a kitchenette, a common living area, and a bath. Rents will vary depending on the unit type; the price per semester will range from \$5,600 for a shared bedroom to \$8,000 for a single bedroom.

b) The Summit has met Leadership in Energy and Environmental Design (LEED) requirements for Silver certification, which is awarded to structures that prevent waste and conserve energy in measureable ways.

**\*Red Diamonds = Parking areas**
